Dear Mr. Roberts,

Confirming our conversation, The Bloomfield Board of Health will host an information session for members of the public and elected representatives relative to the clean-up of the former Westinghouse site. The Board requests the presence of you or one of your representatives to address the issues of past and present contamination levels, clean-up criteria and status of clean-up. Representatives of NJDEP and the Westinghouse Corp. have also been asked to attend to clarify regulatory issues.

The meeting is planned for Thursday May 25, 1995 at 7:30PM in the Municipal Building Council Chambers. If you have any questions please do not hesitate to contact me. I look forward to meeting you on the 25th.

Very Truly Yours,

Richard B. Proctor, Secretary
