## References:

1. Applications, As Amended, of CBS Corporation for Transfers and Amendments of Materials Licenses, Quality Assurance Program Approvals and Certificates of Compliance
2. Letter Dated March 10, 1999 from Charles W. Emeigh, Acting Chief, Licensing Branch, Division of Fuel Cycle Safety and Safeguards, NMSS to A. Joseph Nardi Supervisory Engineer, Regulatory Affairs, Westinghouse Electric Company, a Division of CBS Corporation

Dear Mr. Emeigh:

This letter will provide formal notification of the closing of the sale transaction described in the referenced Applications (Ref. 1) as required by your Letter (Ref. 2) authorizing the transfers and amendments of the CBS Corporation Materials Licenses, Quality Assurance Program Approvals and Certificates of Compliance that are the subject of the Applications. The sale of the CBS Corporation nuclear and government services businesses to Morrison Knudsen Corporation and British Nuclear Fuels plc officially closed on March 22, 1999. In accordance with your Letter, the transfers and/or amendments of the Materials Licenses, Quality Assurance Program Approvals and Certificates of Compliance are effective as of that date. Also in accordance with your letter, all required changes to decommissioning financial assurance instruments to reflect the transfers and/or amendments will be filed with the Commission by no later than April 9, 1999.

Very truly yours,

  
Lisa A. Campagna  
Assistant General Counsel  
Westinghouse Electric Company LLC
