<p>Name of Licensee: Vision Imaging of Lebanon, LLC</p> <p>Name of Participant(s): Francisco J. Morales, M.D.</p> <p>Telephone No. 717-228-2600</p> <p>Subject: RAI, RSO qualification (NOTE: This will be used as the Documents Title in ADAMS)</p>		
<p>Summary: The requirements of 10 CFR 35.50 for the qualifications of an RSO has changed. Please see the updated requirements in 10 CFR 35.50 on the NRC website. I then briefly discussed the training requirements as stated in 10 CFR 35.50. Dr. Morales stated that he would like to get the license quickly and at least during the week of December 19th. I stated that I would e-mail him the other items needed to support the application and that obtaining the services of a person that was already qualified as a medical RSO on a license would be the fastest method to obtaining a license.</p>		
<p>Action Required: The request for additional information was electronically mailed to Dr. Morales.</p>
