Subject: FYI: November 30, 2005 correspondence -Doc. 40-8907

Roy,
In my November 30, 2005 correspondence concerning the your July 14, 2005 amendment request for Source Materials License SUA-1475, I inadvertently indicated Pb-210 instead of chloroform. As indicated in my letter, I am combining your recent radium amendment request with my on-going review of your proposed chloroform amendment.
Sorry about the confusion.

Paul Michalak
