Terry,

Here's my list. Sorry its so late on Friday afternoon. I also apologize if there is any duplication. We've been working from several different lists. I've been trying to coordinate them, but may have missed a few. Also, I realize that I already requested some of the recent CRs. I put them on the list as a reminder to provide a current version so we can see what has been done since I was there for the bagman visit. Thanks again.
