RE: Statement regarding Sealed Source Leak Test / Termination of NRC License
Request (#37-30977-01) *03036771*

To Whom It May Concern:

Per your request is a statement verifying that the CS 137 sealed source that was returned to the vendor was in good condition and did not leak per testing done by the original manufacturer. (RadQual, LLC Source # BM0637-012-8).

Thank You.

Sincerely,
