RE: License No. 29-08519-01

Dear Sir or Madam:

I request the addition of four authorized users to our license. Enclosed is a copy of the Diploma from the American Board of Radiology for Qiang Sun, M.D., I request that he be authorized for use of Materials in 35.100, 35.200, and 35.500.

The following physicians are "Diplomats of the Certification Board of Nuclear Cardiology", Aaron Stein, M.D., Mark Gableman, M.D, and David K. Blood, M.D. Enclosed are documents supporting their certification, I request that they be authorized to use Materials in 35.200 and 35.500.

If you have any additional questions regarding this correspondence, please contact Mr. Joseph Sudano, Radiology Administrator, at (201) 894-3401.

Sincerely:

Daniel Markham
Vice President Operations

AARON STEIN, MD ACHIEVES BOARD CERTIFICATION IN NUCLEAR CARDIOLOGY

Damascus, Maryland, USA - The Certification Board of Nuclear Cardiology (CBNC), a not-for-profit corporation established to develop and administer practice-related examinations in the field of Nuclear Cardiology, is pleased to announce that Aaron Stein, MD passed the certification examination on October 24, 2004. Dr. Stein is now entitled to designate him/herself as "Diplomate of the Certification Board of Nuclear Cardiology".

<< *Diplomate to add his/her biographical information here* >>

The purposes of the CBNC Certification Program are to establish the domain of the practice of Nuclear Cardiology for certification; to assess the level of knowledge demonstrated by Nuclear Cardiology specialists in a valid manner; to encourage professional growth in, and enhance the quality of, the practice of Nuclear Cardiology; to recognize formally individuals who meet the requirements set by CBNC; and to serve the public by encouraging quality patient care in the practice of Nuclear Cardiology.

CBNC has been recognized by the Nuclear Regulatory Commission (NRC) as meeting the requirements for the specialty board certification pathway under 10 CFR Part 35(1,2).

About CBNC:

The Certification Board of Nuclear Cardiology is a fully autonomous entity, independent of any other association, society, or academy. This independence allows the CBNC to maintain integrity concerning policy matters related to certification. The CBNC was established in 1996. To date, 3,696 physicians have been certified in nuclear cardiology.

Mark Gabelman MD

ID No. 2005429

Dear Dr. Gabelman:

We are pleased to inform you that the Board of Directors of the Certification Board of Nuclear Cardiology (CBNC) has determined that your score on the written examination of October 23, 2005 meets the standards the Board has established for certification in nuclear cardiology. Congratulations on your achievement!

A passing score of 125 questions correct was determined by an independent panel of peers, representing the disciplines involved in the practice of nuclear cardiology, drawn from both private practice and academia.

The number of questions you answered correctly was 149. The attached chart shows the number of correct answers you had for each of the content areas. Also enclosed is a press release which you may wish to use to announce your successful completion of the 2005 exam.

As you may recall, the application form that you completed carried the wording "List name as you wish it to appear on certificate if you successfully pass the exam." Therefore, we will honor your request. We anticipate that the hand calligraphed certificates will be mailed by February 1, 2006.

It is important for future mailings that you keep the CBNC headquarters office informed of any address changes and so that the information in our online verification database is correct. The names of the successful 2005 examinees will be posted on CBNC's Website by January 1, 2006.

On behalf of the Board of Directors, I wish to thank you for your participation in the CBNC examination.

Sincerely,

Manuel D. Cerqueira, M.D.
President
