Dear Ms. Cook,

This letter is to inform you of the disposal of our depleted uranium via transfer to US Ecology Washington, Inc. low level radioactive waste at the Richland WA facility. We therefore ask that the listing of depleted uranium "storage only, pending disposal" be removed from our license.

If you have any questions please feel free to contact me at 307-633-7823. Thank you for your attention to this matter.

Sincerely,

Todd A. Christensen, MS DABR
