Re: License Amendment to NRC Materials License # 06-28502-01

Dear Sir or Miss:

This letter serves to request a license amendment to change our license name the Jefferson X-Ray Group, PC to Jefferson Radiology, PC. There has been no change in ownership or management for the practice and the name is the only change being effected.

Should you have any questions or desire additional information regarding our private, nuclear medicine imaging office, please contact me, or, Dr. Ronald J. Rosenberg at 860-246-6589. We appreciate your efforts to expedite the amendment and we look forward to a continued safe and effective materials program. Thank you.

Respectfully submitted,

William J. Glucksman, MD
President
