Mr. Tony Gaines
Nuclear Materials Licensing Branch
U.S. Nuclear Regulatory Commission, Region IV
611 Ryan Plaza Drive, Suite 400
Arlington, TX 76011-8064

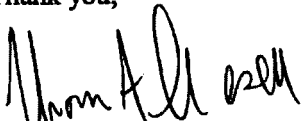

Subject: Letter from Dr. Robert Wharton, VP for Academic Affairs, Idaho State University to Jack Whitten, Nuclear Materials Licensing Branch requesting change of RSO and RSC Chair for license number 11-27380-01, amendment No. 11.

Dear Mr. Gaines:

The subject letter requested an amendment to our license that changed the RSO from me (Thomas F. Gesell) to Richard Brey, PhD, CHP and the chair of the RSC from Richard Brey to Alan Hunt, PhD. The changes were requested to become effective on January 1, 2006. The letter did not request expedited processing because I failed to mention this to Dr. Wharton.

Please expedite the processing of Dr. Wharton's letter requesting change of RSO and RSC Chair so that I may be relieved of my duties as RSO as soon as possible.

Thank you,

Thomas F. Gesell
