**DOCKET NUMBER**  
**PROPOSED RULE** **PR 73**  
**(70FR 67380)**

NRC:

I recommend that you support Committee to Bridge the Gap petition for rulemaking to upgrade reactor security. There should be protection against at least 19 attackers and construction of Beamhenge shields so planes crash into the shields, not the reactor.

Please do not make secret deals with industry. Support the citizens in your rulemaking.

I will appreciate your help in protecting the public.

Cordially,

Dorothy Boberg
