Reference: Letter from Duke Energy Corporation to NRC,
same subject, dated January 18, 2006

The reference letter submitted a proposed emergency TS change to request an additional 48 hours to be added to the existing 14-day Allowed Outage Time (AOT) associated with Train A of the Nuclear Service Water System refurbishment project.

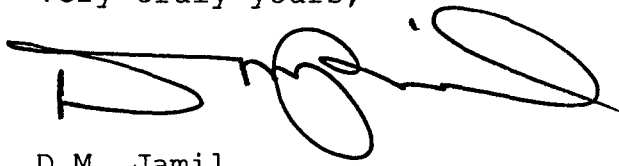

Duke Energy Corporation has determined that the subject emergency TS amendment is no longer required; accordingly, by copy of this letter, the request is withdrawn.

A copy of this letter is being sent to the appropriate State of South Carolina official.

Inquiries on this matter should be directed to L.J. Rudy at (803) 831-3084.
