License No: 29-10313-01

Dear Mr. Mc Kinley:

The following information is being supplied per the request of your letter dated January 9, 2006.

- A) As Executive Director of Union Hospital, I will give Mr. Vincent Immerso, the authority as RSO based on the model "Delegation Of Authority" as found in Nureg - 1556, Vol 9, Appendix I.
- B) Institutional Management will approve the expenditure of funds to facilitate the objectives of our Radiation Safety Program and related regulatory requirements based on the recommendations of the Radiation Safety Officer and the Radiation Safety Committee as needed.
- C) Mr. Immerso is currently RSO for three licensed facilities in the State of New Jersey. Mr. Immerso practices as a Medical Physicist in the Northern New Jersey area and by education, training and experience is qualified to perform the duties and functions of RSO. Mr. Immerso will spend at least one full day per week on site during normal working hours.
- D) Mr. Milan Desai, CNMT, will serve as point of contact during the RSO'S absence. Mr. Desai is a full time employee of the hospital and functions as the Chief Technologist for our Nuclear Medicine Department.

- E) Mr. Immerso will supply the hospital with his home, office, cell phone and pager numbers. This information makes him readily available to respond to questions concerning operational and safety issues. In the event of an emergency, it will take Mr. Immerso thirty to sixty minutes to arrive at the facility.

If you require additional information, please contact me at your earliest convenience.

Sincerely,
