Materials License No. 29-30031-01

- RE: 1. Change of mailing address
2. Change of radiation safety officer
3. License renewal

Dear License Administrator:

I am contacting your agency to provide the following information regarding the Materials License 29-30031-01 issued to Enzon, Inc.

1. The new mailing address is as follows:

Enzon, Inc.
20 Kingsbridge Road
Piscataway, New Jersey 08854-3969

Note that this is also the only location of our radioactive materials as specified by our license. Hence, this is an mailing address change only.

2. The new Radiation Safety Officer of Enzon, Inc. is David Filpula, Ph.D. and correspondence may be addressed to him at the above address for Enzon, Inc.
3. Since our license will expire on August 31, 1998, I request receipt from the NRC of the appropriate renewal forms and instructions to complete this as soon as possible.

Sincerely,

David Filpula, Ph.D.

Radiation Safety Officer
and Director, Molecular Genetics
