

February 19, 2006

Director General Andre-Claude Lacoste
Directorate General for Nuclear Safety
and Radiation Protection
6, Place du Colonel Bourgoïn
75572 Paris CEDEX 12
France

Dear Director General Lacoste:

I have received your request for a paper describing the radiation protection situation in the United States. I would be pleased to contribute such an article for issue N° 170 of the ASN's bimonthly journal. I will provide the article to you by March 15.

Sincerely,

/RA/

Nils J. Diaz
