Project Title:	PLANNING AND IMPLEMENTATION OF PUBLIC EVACUATION PROC
Proposal No.:	J3056

Dear Sir or Madam:

The Department of Energy (DOE), National Nuclear Security Administration (NNSA), Sandia Site Office (SSO), has accepted the enclosed reference funding document subject to the terms and conditions described herein. As requested, this project has been reviewed and accepted for final project closeout. The above-referenced Job Code Number (JCN) J3056 is being closed out at this time. All technical work has been completed and all deliverables have been met, as defined throughout the project's accepted proposal revisions. This letter completes the remaining open actions associated with this JCN.

A review of the funding for this JCN has resulted in the funding balance referenced above. All bills associated with this JCN have been submitted and all payments have been made. The remaining funds represents the unused funding that is no longer needed for this work. This includes the unused funds that had been reserved for DOE'S departmental charges. To assist in this closeout, a breakdown of the available funds is shown above, identifying the funding source as well as the fund type. Obligated funds are hereby certified for deobligation and withdrawn from Sandia Corporation, under Contract DE-AC04-94AL85000. All unused funds are hereby returned resulting in a zero funding balance.

JAN 20 2006

Ms. Geraldine Best, NRC

## STANDARD ORDER FOR DOE WORK (SOEW)

DATE OF ISSUANCE

This agreement is entered into pursuant to the authority of the Energy Reorganization Act of 1974, as amended (42 U.S.C. 5801 et seq.). This work will be performed in accordance with the NRC/DOE Memorandum of Understanding dated November 24, 1995. To the best of our knowledge, the work requested will not place the DOE and its contractor in direct competition with the domestic private sector.
