(NOTE: This will be used as the Documents Title in ADAMS)</p>		
<p>Summary: I spoke with Dr. Rogan about the amendment request to add a location of use and to add Eran Shani, M.D. as an Authorized User. I asked Dr. Rogan if the facility was occupied by any other NRC licensee. He indicated that they were the only occupant. I informed Dr. Rogan that I had no further questions about the facility. It was decided that the request for adding Dr. Shani to the license would be put off for another amendment. Dr. Rogan would gather the required additional information, i.e., whether Dr. Shani has ever eluted generators and where, a description of Dr. Shani's laboratory and classroom experience per 35.290, and whether tAlvin Greengart, M.D. is an authorized user on Maimonides Med. Center's license.</p>
