February 5, 2006

RECEIVED

To the Nuclear Regulatory Commission,

I'm speaking for many of my fellow residents of Windham County when I request that Vermont Yankee (page 1774 Federal Register / Vol 71, No 7 Wed, Jan 11, 2006) must not be given permission for a 20% power increase without an independent safety assessment as rigorous as the one done at Maine Yankee.

Sincerely yours,

Jerry Levy
