Dear Nuclear Regulatory Commission;
RE: page 1774 Federal Register/Vol.71, No. 7/ wednesday
January 11, 2006

I implore you to insist on
an Independent Safety Assessment
before granting a 20% uprate to the
VY. Yankee Nuclear Power plant in
Vernon VT. I live 15 miles from this
nuclear plant and am truely afraid
of the impact a nuclear disaster would
have on my health and property values.

PLEASE help protect me and my
community! Sincerely, Teresa Caldwell

Teresa Caldwell
