SUBJECT: NATURAL UO2 BY ECLETD OAKLAND: OCT. 7, 2002 PER "BRIGHT STREAM" V. 33

OF PAGES: 1 + 1 = 2 PAGES

Dear Veronica,

In regards to the above GNF UO2 shipment, due to the situation at west coast ports, we had no choice but cancel today's pick-up at Cameco Co./Port Hope, Ontario, Canada. Currently, we have not decided when to ship this cargo to Port of Oakland as depending all on the situation at west coast ports. So, it would be appreciated if you could inform NRC of this cancellation of today's pick-up and we will inform of the updated schedule upon confirmation of terminal re-open.

Thank you for your continuous cooperation.

Best regards,

Yumiko Igarashi
