OFFICE OF SECRETARY
 RULEMAKINGS AND
 ADJUDICATIONS STAFF

Dear Judge Bollwerk,

I just found out you are the one that let Exelon's Early Site Permit hearing on June 21-23, 2004, for the Clinton facility in Illinois, be held in Rockville, Maryland. This is 700 miles from the people this facility will affect who want to be involved.

You made this decision for one of 4 reasons.

- 1) You could care less about the whole thing.
- 2) You are a dishonest official who was paid in some way for it.
- 3) You are too dumb to comprehend the effect of this decision.
- 4) You have poor judgment and reasoning abilities, and

generally lack aptitude for this job.

Please answer by indicating which number, or combination of numbers, is correct and return your answer to me.

Thank you .

A citizen that pays you to do your job decently,

P.S. No matter which combination of numbers you choose, you aren't fit for your job - Bollwerk the silly III.
 Were the first 2 Bollwerks as useless as you?
