Subject: E 185 Titles

E 185 - 73: "Standard Recommended Practice for Surveillance Tests for Nuclear Reactor Vessels"

E 185 - 79: "Standard Practice for Conducting Surveillance Tests for Light-Water Cooled Nuclear Power Reactor Vessels"

E 185 - 82: "Standard Practice for Conducting Surveillance Tests for Light-Water Cooled Nuclear Power Reactor Vessels, E 706 (IF)"

Lastly, Geary, each of the titles has a superscript "1" at the very end which refers the reader to a footnote. I leave it up to you as to whether you consider that an integral part of the title.
