Dr. James F. Wright, Project Manager  
High-Temperature Teaching and Test Reactor  
The University of Texas of the Permian Basin  
4901 E. University  
Odessa, TX 79762-0001

Dear Dr. Wright:

SUBJECT: HIGH-TEMPERATURE TEACHING AND TEST REACTOR

Thank you for your letter of February 9, 2006, informing the Nuclear Regulatory Commission (NRC) of the University of Texas of the Permian Basin plans concerning the High-Temperature Teaching and Test Reactor project.

We are interested in learning more about your project including technical details and the proposed schedule and would welcome the opportunity to discuss our licensing requirements with you. A meeting at NRC headquarters to discuss your project would be beneficial for both sides. Our meetings with potential applicants are normally open to public observation. There are some limited exceptions to this open meeting policy such as discussion of proprietary information as defined in Title 10 of the Code of Federal Regulations, Part 2, Section 390 (10 CFR 2.390).

Please contact Alexander Adams at 301-415-1127 or e-mail at [axa@nrc.gov](mailto:axa@nrc.gov) to arrange a meeting.

Sincerely,
