Dear Ms. Henderson:

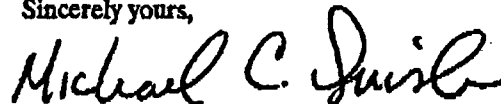

Thank you for our conversation and the opportunity to discuss our changes to our radioactive materials licenses. As we discussed, Mr. Jules Bodzas plans to retire on October 1, 1993. At that time I will assume the duties of the Radiation Safety officer for the Rutgers University and UMDNJ-Robert Wood Johnson licenses (see license numbers below).

I respectfully request an extension until September 10, 1993 to submit my qualifications and respond to the other questions detailed in your letter of July 22, 1993. This extension is necessary to allow us to prepare a complete response and will enable me to complete the 40-hour Radiation Safety Course at Harvard University, August 16-20.

We have also recently hired a Health Physicist and appointed a full-time Radiation Technician to supplement our staff and enhance our program.

Thank you for your understanding. Please contact me or Jules Bodzas if you have any questions.

Sincerely yours,

Michael C. Quinlan, CIH
