As a reminder, please ensure that all SAFEGUARDS INFORMATION or security-related information is provided to our Senior Vice President, Nuclear and Chief Nuclear Officer (CNO). For site specific security-related correspondence the addressee should be the Site Vice President with a copy to the CNO. For all other correspondence, the addressee is the CNO with copies in accordance with the service list. This should include, for example, SAFEGUARDS Advisories. FPL recognizes the need to disperse such information in a timely manner to the site security managers; however, as a fleet utility it is imperative that the CNO be aware of all such information in a timely manner.

Please contact Mr. Mark Dryden (561) 694-4430 if there are any questions.

Very truly yours,
