Amendment Request for License 06-30764-01 dated 2-10-06 (132440)
Amendment Request for License 06-30764-02 dated 2-10-06

03036179

Dear Mr. Thompson

Advanced Care Medical is requesting that the referenced license amendment requests to add Cs-131 be processed as soon as possible.

We have been advised that orders are pending from several hospitals, who are already using this isotope from another supplier.

Sincerely,

Wayne W. Richardson
Radiation Safety Officer
