SUBJECT: CHANGE IN NRC PROJECT MANAGER

Dear Mr. Niles:

The purpose of this letter is to inform you that I am now the U.S. Nuclear Regulatory Commission Project Manager for the Maine Yankee Atomic Power Company (Maine Yankee) Independent Spent Fuel Storage Installation (ISFSI). Transfer of project management responsibility from Mr. John Buckley, Division of Waste Management and Environmental Protection, to my organization, the Spent Fuel Project Office, occurred in January 2006. This transfer was made in recognition of your completion of decommissioning activities at the Maine Yankee site, with the exception of the continuing ISFSI-related operations.
