Subject: Re: Fwd: NEW INFO - 60 MINUTES to interview alleged

The issue is related to a public legal case that the alleged has ongoing with the licensee (Salem/Hope Creek, but mostly Salem) concerning matters related to a safety conscious work environment. The Region is having a meeting at 10:00 a.m. this morning to discuss possible Q&As and a communications plan. They plan to forward it for consideration by the OEDO. The interview with 60-Minutes is scheduled for 12/8.
