Docket No. 03008177
Control No. 138224

License No. 45-14863-01

James R. Perkins
President
Blue Ridge Community College
P.O. Box 80
Weyers Cave, VA 24486

SUBJECT: BLUE RIDGE COMMUNITY COLLEGE, LICENSE TERMINATION, CONTROL
NO. 138224

Dear Mr. Perkins:

Please find enclosed Amendment No. 7 terminating License No. 45-14863-01 as requested by your NRC Form 314 dated December 15, 2005. Upon receipt of your additional information in letter dated February 17, 2006, and review of your letter dated September 18, 1987, it was determined that the unsealed and sealed material previously listed on your license other than the Am-241 sealed source was not licensed material. Thus, you meet the requirements of Group 1 decommissioning in accordance with the guidance in NUREG-1757, Volume 1, Revision 1, "Decommissioning Process for Material Licensees" and an environmental assessment is not required. (This termination is being issued in accordance with the requirements of the applicable NRC License Termination Rule (10 CFR 30.36, 10 CFR 40.42, and 10 CFR 70.38). All facilities previously used for licensed activities may be released for unrestricted use.

Current NRC regulations and guidance are included on the NRC's website at www.nrc.gov; select **Nuclear Materials; Medical, Industrial, and Academic Uses of Nuclear Material**; then **Toolkit Index Page**. Or you may obtain these documents by contacting the Government Printing Office (GPO) toll-free at 1-888-293-6498. The GPO is open from 7:00 a.m. to 9:00 p.m. EST, Monday through Friday (except Federal holidays).

Your cooperation with us is appreciated.

Sincerely,

Original signed by Dennis R. Lawyer
