Please reference License No. 45-25187, Docket No. 03032638, Control No. 138051, and the e-mail dated January 23, 2006. We have sent you replies to the questions concerning the amendment request to add St. Francis Cancer Center to our NRC license. These answers were generated by Brandon Rice, MS, Medical Physicist under the supervision of our Authorized Medical Physicist and Radiation Safety Officer, Van H. McComas. As administrator for this license I approve Brandon Rice to speak on our behalf regarding this request. I have also requested Mr. McComas to add his signature to this letter to confirm he has reviewed and approved the answers submitted to the NRC.
