Docket No. 50-440
Subject: Semiannual Fitness-For-Duty Report

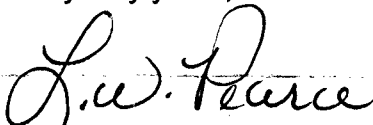

Ladies and Gentlemen:

In accordance with the requirements of 10CFR26.71(d), "Recordkeeping Requirements," the Semiannual Fitness for Duty Report is being submitted for the Perry Nuclear Power Plant. This report covers the time period of July 1, 2005 through December 31, 2005.

Attachment 1 provides the Fitness for Duty Program performance data regarding testing results. Attachment 2 provides additional information regarding reported events and management actions taken in response to positive results. The provisions of the Fitness for Duty Program apply to persons granted unescorted access to the Protected Area of the plant, as well as to licensee, vendor, and contractor personnel required to physically report to the Technical Support Center or the Emergency Operations Facility in accordance with the Emergency Plan and associated implementing procedures.

If there are any questions or if additional information is required, please contact Mr. Jeffrey Lausberg, Manager – Regulatory Compliance, at (440) 280-5940.

Very truly yours,

Management Actions Taken

Drug and alcohol testing results for the reporting period are described in Attachment 1.

Zero (0) licensee employees tested positive for illegal drugs or alcohol during this reporting period.

Zero (0) contractor employees tested positive for illegal drugs or alcohol during this reporting period. One (1) contractor employee, who held unescorted access, was subjected to for cause testing, which resulted in an alcohol level that was not positive. The contractor employee was deemed not fit for duty and removed from site during this reporting period. One (1) contractor employee was subjected to preaccess testing, which resulted in an alcohol level that was not positive. The contractor employee was deemed not fit for duty and removed from site during this reporting period. ~~Neither contractor employee exercised their right to appeal.~~

As a result of a Fitness for Duty Program concern, twelve (12) individuals were subject to unannounced follow-up testing during this reporting period; all testing results were negative.

Initiatives Taken

Working Hour Guidelines Program is part of the FENOC Fitness for Duty Program. We continue work on improvements to the working hour request electronic database for efficiency in initiating and approving working hour deviations.
