Currently, Hub and Randy are planning a visit on Monday, May 24. The Followup SCWE meeting will be at 7:00 p.m., June 16 at the PSEG Emergency News Center in Woodstown, NJ. (about 25 minutes from the plant).

Jim- please copy Dan Holody on any future e-mails. He's the acting BC for at least the next few weeks.

 Dan,

We heard on today's call with the Region that the Agency is holding a followup meeting on the SCWE at Salem/HC. This might be a good opportunity to visit the site - besides this meeting (for which a consolidated Agency presence would be beneficial), we could also conduct our assessment of the licensee's commitment management system.

Let's discuss.

Thanks.

Jim
