There are a few of us from Headquarters that would like to attend the public meeting on June 16 with Salem/Hope Creek on the SCWE/Safety Culture issue. Lisa Jarriel, Clare Goodman and I were part of the Davis-Besse inspection team on the same issue and would like to get a better grasp on the situation at PSEG, and see if there is something we could do to help you. We also have two recent hires that we are training to work in this area that would also like to attend.

Since I understand the meeting doesn't start till 7PM we would drive up and probaly stay overnight.

Do you have any problems with our attendance at this meeting?

CC: Goodman, Clare; Jarriel, Lisamarie
