Additional Information Regarding Records Retention for the American Centrifuge Plant

Enclosure 1 of AET 06-0034

Please provide additional information related to the handling and maintenance of historical records related to contaminants from the Gas Centrifuge Enrichment Plant (GCEP).

USEC Response

Any GCEP records relating to contaminants are the property of the U.S. Department of Energy (DOE). These records are retained by DOE and housed in appropriate storage locations in accordance with DOE requirements and environmental regulations.
