we would not normally issue a press release for an unsubstantiated OI case - i am not saying we shouldn;t in this case, only that we normally wouldn't

>>> A. Randolph Blough 12/30/04 02:58PM >>>

we should also issue a press release if included in the comm plan....and that would need to be started about 2 weeks in advance

>>> Daniel Holody 12/30/04 02:54PM >>>

Based on Sam's request at today's morning meeting, I draft drafted a projected schedule for handling - see attached

suggest saving to wordperfect then viewing
