

Cassidy, O'Hanlon
Bakken, Anderson
Garchew, J. Carlin
Durr, Brothers
Selover

- Huh -
- Cassidy - summary of letter 1/28/04
 - discussion of pest assessment
 - good safety margins, but..... P1&R

P566 - Cassidy

Post Meeting Questions

- ① - 30 yrs - (a) Nue Pwr
Equip Reliability, World Backlog - Ferland is CG2 + CoB
- Funding, Nue Pwr - ^{conflict}
Huh - agree - in part, why we addressed letter to Corporate

- ② Lockbaum - ^{been monitoring} since 9/03
- were looking for a reason for patience
 - D-B looked better than this @ one stage
 - not critical on RI, hardly of the issue
 - RI doing a very fine job
 - concerned @ about what P566 did not talk about
 - 7 team - were asked to give two items to
 - ^{so often} ECP was left out
 - caffeine food + bathrooms + parking used

Huh - RSP findings

C-16

P. Blaneh-

- positive comments
- pro-active -

M. Cohen

- shut am'down -

Lisa

- Matrix - comparing tools - one they (asked) all same thing
- Independence of select v
- 10 projects - open door
- training - what training?

- ERB - M. Brothers

- An initial perception she has of IAT is that it was commissioned to spin the negative from synergy + USA Deck positive
- She wouldn't pay as much att'n to it as she would to how he assess & resolve results of synergy + USA
