Subject: Issuance of Vermont Yankee EPU Amendment

Bill,

The Vermont Yankee EPU amendment was issued this morning. The following files are attached:

- 1) Cover letter, amendment, and notice (ADAMS Accession No. ML060050022)
- 2) License and Technical Specification pages: (ADAMS Accession No. ML060390107)

Due to the size of the Safety Evaluation (SE) I have not attached it to this email. The non-proprietary (i.e., public) version of the SE should be available in Citrix-based ADAMS today or web-based ADAMS tomorrow at Accession No. ML060050028.

As was discussed during the ALSB teleconference on 1/24/06, the NRC will send a hard copy of the entire amendment package to the ASLB and all parties by overnight delivery. We are presently getting copies made and expect to mail the hard copies out later today. OGC will send out a separate email to confirm that the overnight delivery was sent.

I will call you to confirm receipt of this email.

thanks,

Rick
