Subject: Issuance of Vermont Yankee EPU Amendment

Ray,

The Vermont Yankee EPU amendment was issued this morning. The following files are attached:

- 1) Cover letter, amendment, and notice (ADAMS Accession No. ML060050022)
- 2) License and Technical Specification pages: (ADAMS Accession No. ML060390107)

Due to the size of the Safety Evaluation (SE) I have not attached it to this email. The non-proprietary (i.e., public) version of the SE should be available in Citrix-based ADAMS today or web-based ADAMS tomorrow at Accession No. ML060050028.

As was discussed during the ALSB teleconference on 1/24/06, the NRC will send a hard copy of the entire amendment package to the ASLB and all parties by overnight delivery. We expect to mail the hard copies out later today. OGC will send out a separate email to confirm that the overnight delivery was sent.

I will call you to confirm receipt of this email.

thanks,

Rick
