There was a meeting on:

Feb 5 which were face-to-face employee meetings to discuss NRC SCWE letter. These meetings were conducted by the Sr. leadership team (i.e., VPs). I attended one of these sessions.

I do not recall when the other all-hands meeting took place or who conducted them.

The Feb 27 response letter (faxed to site; if you want in TTD, let me know when) refers on page 5 in 2(b) & (c) about Roy's messages in two all-hands meetings. Randy and I did not recall such meetings (we remembered the Bakken/ Carlin show and Bakken/ supervisor meeting). You remember the Anderson meetings?
