

Release 11

From: A. Randolph Blough *RT*
To: Daniel Holody; James Wiggins
Date: 6/9/04 9:33AM
Subject: Fwd: UCS recommendations for Salem / Hope Creek

this is a surprise; although we were expecting comments from UCS, including recommendation of an order to fix SCWE,, we did not expect the primary recommendation to be for a S/D order. I don't know if UCS will make a public statement on this. They, for the most part, have not made this is highly public issue.
will update you as we get more.
