<div style="display: flex; justify-content: space-between;"> <div style="width: 30%;">Summary:</div> <div> 5:55 PM, March 9, 2006 Phone voice mail message from Nash Kahn, Office Manager of Garden State Magnetic Imaging, 1245 Whitehorse-Mercerville Road, Hamilton, NJ. 609-581-2727. "Mr. Jackson, hi, this is Nash. I'm calling from Garden State Magnetic Imaging. You called me earlier today. This is for, once again, Garden State Magnetic Imaging, and I think that you said we have some problem with our NRC license. I have sent something in writing to NRC, about a week ago, that we are going to discontinue our program and that we no longer want our license either renewed or,.... no physicist will be needed because we are going to abort our whole operation. There's not going to be any PET/CT on this location. If you still need me to fax over the letter again you can call me back. My number is 609-581-2727. I'm going to be back in the office tomorrow after 10 AM. Thank you." </div> </div>
