Re: Materials License No. 01-30362-01

Dear Ms. Janda:

The purpose of this letter is to request termination of our License No. 01-30362-01. For a variety of business reasons, we have decided to defer construction of our facility at the licensed location. Due to the cost of our annual license fee (\$25,100 annually), we feel that it is in our best interest financially to terminate the license and re-apply at some time in the future when we decide to continue with construction of our facility.

We appreciate your support of matters concerning our license. Please let me know if you have any questions.

Sincerely,

Mark Fellows
Vice-President
