Summary: The licensee requested termination of the above license. From the previous conversations with the licensee, it was apparent that the licensee did not acquire any material authorized by the license. However, I wanted to get a written confirmation of this from the licensee. I called Mr. Fellows to request the confirmation that they never acquired licensed material under the license. Mr. Fellows was not available and I requested the office person to have Mr. Fellows send us the confirmation letter. The licensee will fax the letter soon.		
Action Required: Terminate the license upon receipt of the letter
