Release

From: Doug Weaver
To: Christopher P. Jackson
Date: Tue, Feb 1, 2005 9:54 AM
Subject: Mark of NAS draft public report

Chris,

OEDO delivered to SECY this morning the markup of the NAS draft report and a cover letter forwarding the report to NAS for Commission Review. The draft contains SGI information and is being handled accordingly. We believe the cover letter is not sensitive and is suitable for public release.

Doug
