<table style="width: 100%; border: none;"> <tr> <td style="width: 30%; padding: 5px; vertical-align: top;">Summary:</td> <td style="padding: 5px;"> <p>I phoned Ms. Colvin on 03/01/06 to request additional information regarding the addition of Christina Bove, MD to the license as an Authorized User for 35.200. We discussed the omission of work experience and preceptor attestation information required by 35.290 from the amendment request. She stated that the required information would be gathered and submitted in support of the amendment request. Ms. Colvin phoned on 03/15/06 to inform me that Dr. Bove has three letters from supervising physicians outlining clinical training and experience in nuclear cardiology. Ms. Colvin, Dr. Bove and I discussed whether or not the three letters contained the work experience and preceptor attestation requirements outlined in 35.290. It was determined that the letters were somewhat outdated and did not satisfy 35.290 requirements in its entirety. It was then determined that the licensee will document the required 35.290 information for Dr. Bove and submit it in a future amendment request.</p> </td> </tr> </table>			Summary:	<p>I phoned Ms. Colvin on 03/01/06 to request additional information regarding the addition of Christina Bove, MD to the license as an Authorized User for 35.200.
