<p>Summary:</p> <p style="margin-left: 40px;">I spoke with Dr. Hales regarding the Neotropix, Inc. license application dated 2/9/06. The application requested that Dr. Seshidhar Reddy Police be named on the license as RSO, but did not request that he be listed as an Authorized User. I asked Dr. Hales if they had intended to list Dr. Police as an Authorized User. Dr. Hales stated that it was their intent to list Dr. Police as an Authorized User.</p> <p style="margin-left: 40px;">In addition, the license application stated that the licensee reserved the right to modify procedures (for radioactive spills and emergencies). I asked Dr. Hales to verify that it was the intent to modify procedures so that they still remained similar to the procedures in Appendix P to NUREG-1556, Volume 7. She stated that it was their intent to revise procedures and keep them similar to the procedures in NUREG-1556, Volume 7.</p>		
<p>Action Required: Issue new license with changes as needed.</p>
