REGION I

Dear Ms. Gabriel:

This letter is to confirm that Saint Francis Medical Center has sent back the Sr-90 source to Novoste Corporation for the IVB (Intravascular Brachytherapy) program. This service has been discontinued from radiation oncology and source inventory will be eliminated from our license. Please remove this item from the current license based on the confirmation from Novoste Corporation.

Thank you for your kind attention and best regards!

Sincerely,

Jack Yang, Ph.D.
