Ms. Gbur,

I have reviewed the NRC Inspectin Reports for Oyster Creek for the years 1996, 2000, 2002 and 2004.

Only 2 of those reports discussed drywell inspections.

Report Number      Accession Number (ADAMS)

2000-002	ML003711458
2000-008	ML003779093

I have attached copies of those report, downloaded from ADAMS.

If you have any additional questions, please call me at 610-337-5059.
