Mr. Dolley-

Please find attached a scanned copy of the subject document.

The faxed original went to the Office of the Secretary.

We also have a copy of the petition filed by a group of organizations by Ms. Michele Donato.

Please let me know if you need that 38 + page document.

Could you please send me a copy of the petition, filed earlier this month by the New Jersey Dept. of Environmental Protection, requesting a hearing on Oyster Creek license renewal? I believe it was filed on or about November 14, but have been unable to locate it in ADAMS. Thanks for your help.

Regards,

Steven Dolley
