OK, come on over, we'll meet in O-7D6 at 2pm. Anne, will you be available at 1:00 your time?

Maybe we can get Region III on the line and talk about the Merrifield brief and the possible EPW staff brief at the same time. 2pm est is good for us.

I'm fine with Region III taking the lead, they do a great job. I just want to double check that our management doesn't feel that this is getting beyond a regional issue, and that NRR should'nt start taking the lead.

How about this afternoon? I'm free anytime. I've already spoken to Anne Boland and we agreed RIII should take the lead, probably Steve Orth.

Mindy

We need to sit down sometime soon and figure out how we want to do this. Pick a time and we can meet in your office. Depending on who needs to be represented at the meeting, I would like to send the following from IHPB in order of priority. So if there's room for two from IHPB, it would be Steve and myself
